

Voice Commands for BMW 5 Series & 6 Series MY2004 equipped with CCC

Editorial Notice

BMW pursues a policy of continuous, ongoing development that is conceived to ensure that our vehicles continue to embody the highest quality and safety standards combined with advanced, state-of-the-art technology.

For this reason, it is possible that some voice commands described in this list could differ from voice commands used on other BMW vehicles or could be changed in the future.

Nor can errors and omissions be entirely ruled out.

You are therefore asked to appreciate that no legal claims can be entertained on the basis of the data or description in this list.
