**Welcome to [redacted]
a new era in vehicle Preservation
and Protection.**

Don't you love the feeling of stepping into a new car - that superb 'new car' scent, the pristine condition of the interior and the glorious finish of the duco? Wouldn't you want to maintain that feeling for as long as possible?

Welcome to [redacted] a new era in vehicle Preservation and Protection. [redacted] [redacted] is an innovative program designed to keep your car in mint condition for years and years to come, both inside and out.

It is an unique mix of irresistable ground-breaking products and new ideas, like our [redacted] [redacted] program and our [redacted] Paint Protectant. Both of these come hand-in-hand with our environmentally friendly 'dry shampoo', yet another first. This will ensure that even during times of severe water restrictions or drought you will still be able to keep your car in sparkling condition.

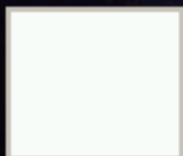

You'll also find inside a surprisingly broad range of lifestyle products, designed to help make your daily motoring more secure and comfortable.

Our [redacted] products are exclusive, and are only available through accredited dealerships. So for an outstanding investment in vehicle protection, choose [redacted], and enjoy motoring now and for years to come.

ON THE OUTSIDE

Preserve, Prolong and Protect
your vehicle on the outside.

[]

The high performance [] paint protectant that Preserves, Prolongs & Protects, to outshine and outlast all others

Indulge your desire for perfection with this ground-breaking new product from []. [] is a unique paint protectant that **Preserves, Prolongs and Protects** paintwork while outperforming and outlasting all waxes, polishes and paint protectants currently available worldwide. It is an inorganic surface treatment that achieves a high-gloss lustre that has to be seen to be believed. It's so good, it will have your vehicle's paintwork outshining the gloss of a standard new car showroom finish. In addition [] will protect treated surfaces from most environmental nasties and organic contaminants.

[] cures gradually at ambient temperatures. Its glass-type properties deliver extreme durability and hardness and provide the most brilliant shine and the deepest depth of image imaginable for exterior paintwork protection.

It is the ONLY product of its type that's inorganic - so it won't break down over time under UV intensity, unlike standard organic paint sealants. Plus, it's the only paint protectant that is anti-corrosive.

And when it does come time to clean your car, you'll be amazed at how much easier it is! You can even use our new breakthrough Dry Shampoo to help keep your car in sparkling conditions.

- Glass-type properties deliver extreme durability and hardness
- Provides an outstanding and brilliant shine
- Non organic composition - won't break down, contains no silicone
- Provides maximum UV protection
- Arrests corrosion and oxidation
- Treated surfaces are extremely hydrophobic (water resistant)
- Provides exceptional stain resistance against bug-splatter, bird and bat poo, acid rain, salt spray, mould, mildew and road tar.
- Cannot be broken down by soaps and detergents
- Lifetime Warranty

Preserves the authentic scent and luxurious feel of brand new leather

There's nothing quite like the feel and aroma of leather in a new car. So, why not preserve that feeling for as long as you can?

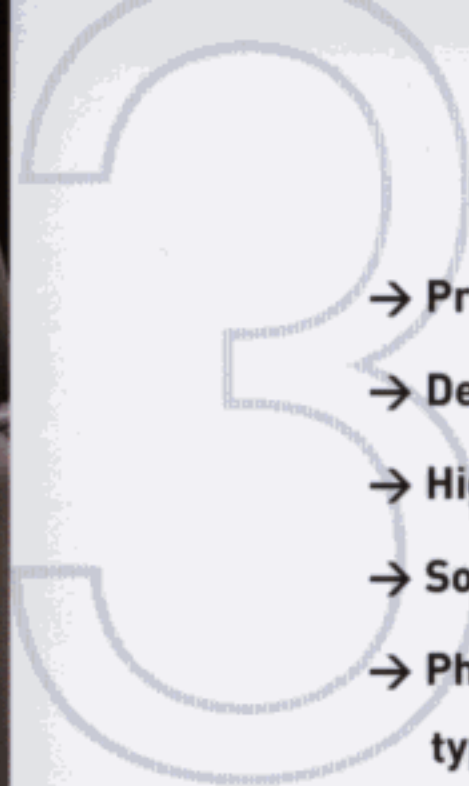

Leather Preserver works by actively penetrating the pores of each leather panel, nourishing, moisturising and protecting it. Unlike other products

Leather Preserver is scientifically formulated for leather and is not a multi-purpose vinyl/leather sealant.

Leather Preserver's high-quality

lanolin formulation soaks deep down into the hide to maintain and enhance its softness and suppleness, protecting leather surfaces against hardening, drying and cracking. It also provides a highly effective barrier against stains, spills and marks of all kinds.

Plus, Leather Preserver is impregnated with unique natural scents designed to accentuate the pristine, authentic aroma of new leather. Now you can enjoy that luxurious look, feel and aroma of brand new leather for many years to come.

- Preserves the "new leather" and
- Deep down moisturising protection
- High quality lanolin ingredients
- Softens hard leather
- Ph neutral, safe and effective on all types of leather
- Not a multi-purpose sealant, scientifically designed for leather
- Provides a highly effective barrier against stains, spills and marks
- Lifetime Warranty

Carpet & Fabric Protector

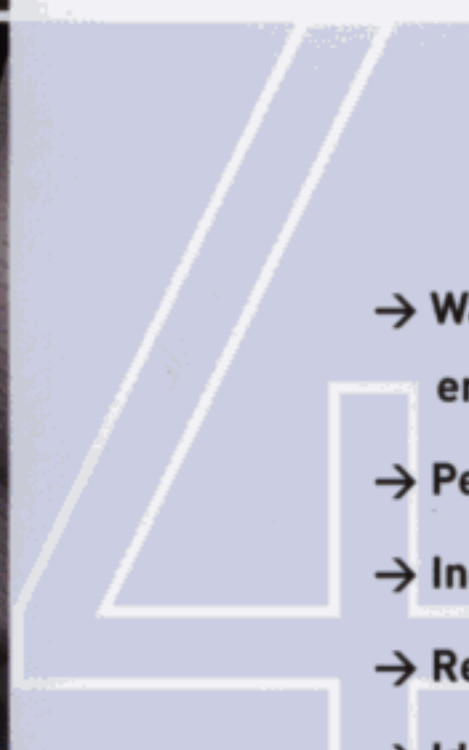

A true breakthrough in environmentally friendly fabric and carpet protection

Carpet & Fabric Protector provides durable and invisible protection against common oil and water-based spills while being completely safe for you, your family and the environment.

Containing the bacterial protection system Bacti Shield®, this remarkable product from will protect your vehicle's fabric against harmful bacteria, moulds and fungus. Just the sort of allergens that may cause respiratory conditions like asthma or hay fever. So it doesn't just

protect your fabric, it protects you.

Fabric Protection is a water-based formulation. This means it's totally safe, non-toxic, non-hazardous, non-flammable, non-carcinogenic and emits no odour. It offers all of this without compromising any of its effectiveness. And unlike conventional carpet and fabric protectors that simply surround the fibre, Carpet & Fabric Protector actually penetrates the individual fibres, providing the ultimate stain-proofing barrier.

- Water-based, non solvent, environmentally friendly
- Penetrates, not just surrounds
- Increases resistance to wear and tear
- Resilient and effective stain barrier
- Ideal for pet owners
- Provides maximum UV protection
- Non-toxic, important for those with allergies
- Contains Bacti Shield®, a bacterial protection system
- Lifetime Warranty

Vinyl Conditioner

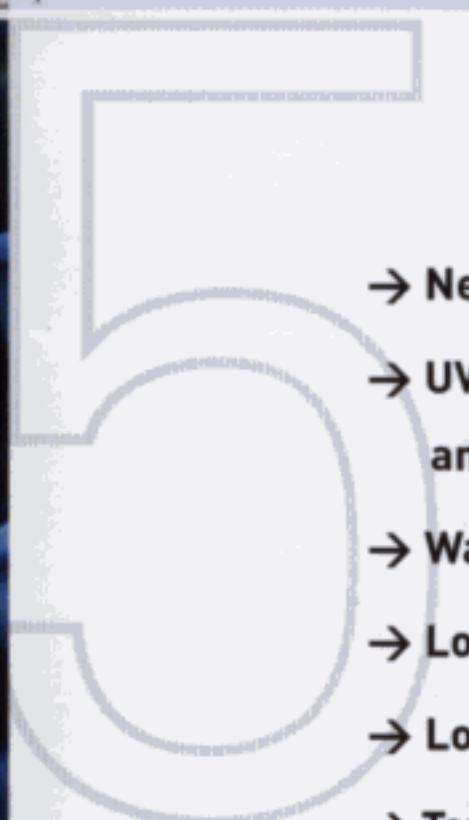

New formulation vinyl protection to nourish and protect vinyl surfaces

Today's vehicles use increasingly sophisticated interior coatings, including high quality vinyls. But despite being robust and long-wearing these surfaces can still benefit from a protective product to preserve their original look and texture.

Vinyl Conditioner enhances internal vinyl surfaces including dashboards, consoles and other trim by penetrating below the surface layer to nourish and protect,

keeping them in 'as-new' condition. Plus, it forms a tough barrier against scuff marks and stains. It also contains powerful ultraviolet inhibitors to shield against damaging UV rays and temperature fluctuations that cause surface cracking and discolouration.

And what makes Vinyl Conditioner so unique is that it is purpose-built for vinyl to ensure your vehicles' vinyl surfaces receive the ultimate protection and durability.

- New formula, includes leather conditioning
- UV stabilised against discolouration and fading
- Water repellent, easy care with no greasy residue
- Low-sheen, non-greasy, non-solvent
- Longer lasting as-new appearance
- Tough barrier against scuff marks and scratches
- Not a multi-purpose sealant
- Lifetime Warranty
