

Primary gauges are recessed under a cowl, and designed for glare-free vision during the day. At night, the gauges glow in a color that is restful on the eyes.

The iDrive Controller, which is conveniently located on the center console, allows you and your passenger to access and tailor many comfort features.

An interior as sleek and compelling as the exterior.

Equipment

■ / □ Xenon low- and high-beam headlights provide brilliant clarity of the road ahead and to the side at night and in conditions with poor visibility. The dynamic autoleveling feature adjusts for varying passenger and cargo loads, helping to keep headlight glare out of the eyes of oncoming drivers.

■ Halogen free-form foglights, integrated into the deep front spoiler, enhance your margin of safety in bad visibility. Ellipsoid free-form technology ensures even light distribution on the road.

■ Two-way **power glass moonroof** with remote, expanded one-touch operation, slides forward or tilts up to let in as much fresh air and sky as you like, while a wind deflector helps keep the wind out. Includes a sliding interior sunshade.

■ 3-spoke leather-wrapped multi-function steering wheel lets you keep both hands on the wheel while adjusting various comfort functions, such as changing the radio, CD selections and volume. Optional Voice Control (included with optional on-board navigation system) can be used to change radio stations and audio selection, navigation system destinations, and (accessory) telephone entries.

■ Six-speed manual transmission, now standard on the 525i, 530i and 545i, delivers a precise, athletic feel that's responsive to your personal driving style. This is due, in part, to the enhanced synchronization of shifts from neutral to each gear. The gearbox adds to the sporty feel with a shortened shift lever and "throw." (Heated seats shown are included in optional Cold Weather Package)

■/□ Six-speed STEPTRONIC automatic transmission provides a choice of three modes: "Drive," which incorporates BMW's Adaptive Transmission Control; "Sport" automatic, for a more dynamic shift pattern; and STEPTRONIC automatic, for the hands-on control of a manual without using a clutch. (std. 545i; opt. 525i, 530i. Heated seats shown are included in optional Cold Weather Package)

Equipment | Interior

■ 16 x 7.0 Trapezoid (Styling 134) cast alloy wheels and 225/55R-16 all-season tires. (std. 525i; spare is a space-saver wheel and tire)

■ 17 x 7.5 Star Spoke (Styling 138) cast alloy wheels and 225/50R-17 all-season tires. (std. 530i; spare is a space-saver wheel and tire)

■ 17 x 7.5 Double Spoke (Styling 116) cast alloy wheels and 225/50R-17 all-season tires. (std. 545i; spare is a space-saver wheel and tire)

17 x 8.0 Star Spoke (Styling 122) cast alloy wheels and 245/45R-17 run-flat performance tires.¹ (included in 525i Sport Package; tires not recommended for winter use in ice and snow. Spare is a space-saver wheel and tire)

18 x 8.0 Star Spoke (Styling 123) cast alloy wheels and 245/40R-18 run-flat performance tires.¹ (included in 530i Sport Package; tires not recommended for winter use in ice and snow. Spare is a space-saver wheel and tire)

18 x 8.0 front, 18 x 9.0 rear Star Spoke (Styling 124) cast alloy wheels and 245/40R-18 front, 275/35R-18 rear runflat performance tires.¹ (std. 545i 6-speed; included in 545i Sport Package; tires not recommended for winter use in ice and snow. Spare is a space-saver wheel and tire)

Further information can be obtained from your authorized BMW center or bmwusa.com.

⁴ Requires on-board navigation system; not available with Green band windshield.

 $^{^{5}\,\}mathrm{Spare}$ is a space-saver wheel and tire.

⁶ Spare is a space-saver wheel and tire. Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages. Performance tires not recommended for driving in ice and snow.

| BMW Maintenance Program | |
| BMW Full Maintenance ¹¹ | • |

¹¹ Full Maintenance Program covers all factory-recommended maintenance, as determined by the Service Interval Indicator for 4 years or 50,000 miles, whichever comes first. Full Maintenance Program includes items that need replacement due to normal wear and tear, provided wear and tear exceeds BMW specifications. This includes items such as brake pads, brake rotors and wiper blades that are not covered by the original New Vehicle Limited Warranty. Any adjustments required due to normal operating conditions are also included. For exclusions and limitations, refer to the Service and Warranty Information booklet that came with your new BMW, or see your authorized BMW center for details.

 $\label{thm:prop} \mbox{Figures in (\) apply to vehicles with automatic transmission. Figures in [\] apply to vehicles with SMG.}$

¹Preliminary data.

²Top speed limited electronically.

³When equipped with Sequential Manual Gearbox (SMG).

⁴EPA-estimated figures are for comparison purposes only. Your actual mileage will vary, depending on speed, driving habits, trip length and driving conditions; actual mileage will most likely be lower.

⁵ Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

Specifications | Technical data

All dimensions are shown in inches and apply to models with standard wheels.

U.S. Importer: BMW of North America, LLC, Woodcliff Lake, NJ 07677. All illustrations and specifications contained in this brochure are based on the latest product information available at the time of printing. BMW reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. BMW may, subject to legal requirements, determine the Model Year designation of its vehicles. The Model Year designation on any particular model may be longer or shorter than 12 months. Some vehicles pictured may contain non-U.S. equipment. Some models may be shown with optional equipment. Further information can be obtained from your authorized BMW center or bmwusa.com.
