

The new
BMW 3 Series
Coupé

325i
335i

The Ultimate
Driving Machine

Beauty and power. A charming balance.

Thrilling power. Perfect delivery.

Circuit training never looked so good.

As your eyes come to rest, your heart begins to race.

Presenting world-class quality. And world-class quality time.

Your place. Your space. Your driving pleasure.

A passion for detail provides a compelling big picture.

The clearly arranged **instrument panel** (shown here without a Navigation system), featuring analogue displays for speedometer, rev counter, fuel gauge, oil temperature gauge etc., is focused on the needs of the driver.

For a pleasant climate in the cabin at all times, there is **automatic air conditioning** including automatic air recirculation, a fogging and solar sensor as well as a residual heat button. Temperature and air quantity control, along with air distribution, are separately adjustable for driver and passenger. Rear-seat passengers also have individual temperature controls.

With **electric seatbelt handover**, the driver and passenger can reach and fasten their belts with ease regardless of seating position or backrest angle. The detector in the passenger seat means the seatbelt handover is only activated if the seat is occupied.

With a Navigation system specified, the vehicle is equipped with the **iDrive Controller** on the centre console. It provides a single point of access for a number of secondary functions, utilising a Control Display in the dashboard.

■ Standard equipment □ Optional equipment — Not available

Safety	325i	335i
Adaptive Headlights with turning light	□	■
Airbags:		
– Driver and front passenger airbag, with seat occupancy detector for front passenger airbag	■	■
– Head airbags, front and rear	■	■
– Side airbags for driver and front passenger, integrated in seat	■	■
Brake Force Display	■	■
Brakes:		
– Disc brakes at the front, inner-vented	■	■
– Disc brakes at the rear, inner-vented	■	■
Central locking with electronic immobiliser and crash sensor	■	■
Dynamic Stability Control (DSC) (incl. ABS, CBC and DTC traction mode) with extended functions	■	■
Foglights with free-form reflectors , including heated screenwasher nozzles and heated exterior mirrors	■	■
Headlight washing system	■	■
Headrests in the rear , with manual height adjustment	■	■
High-beam assistant	□	■
Park Distance Control (PDC) , front and rear	□	■
Park Distance Control (PDC) , rear only	■	—
Rain sensor with automatic headlight activation	■	■
Runflat indicator	■	■
Runflat tyres	■	■
Safety bodyshell:		
– Bumper system with aluminium impact absorbers at the front and steel impact absorbers at the rear, reversible up to 4 km/h, and special deformation elements at the front and rear designed for impacts up to 15 km/h	■	■
– Integrated side impact protection in doors	■	■
Seatbelts:		
– Ergonomic seatbelt system at the rear, with inertia-reel seatbelts for all rear seats	■	■
– Inertia-reel seatbelts at the front with pyrotechnic belt tensioner and belt force limiter	■	■
Xenon headlights for low and high beam, with automatic range control and four Corona rings (daytime running lights)	■	■

Engine	325i	335i
6-cylinder in-line petrol engine with 4-valve technology	■	■
Double-VANOS	■	■
High Precision Injection (direct injection)	—	■
Twin Turbo	—	■
Valvetronic	■	—

Transmission/Suspension	325i	335i
6-speed automatic transmission with Steptronic	□	□
6-speed manual transmission	■	■
Active Steering	□	□
Double-joint spring-strut front suspension	■	■
Multi-link rear suspension	■	■
Paddles including multifunction buttons on steering wheel (only in conjunction with 6-speed automatic)	—	□
Sport suspension , vehicle lowered by 15mm	□	■

Interior equipment	325i	335i
Automatic air conditioning (including AAR, fogging and solar sensors and residual heat button) with air outlets in the rear	■	■
Comfort access system , for keyless entry and engine start-up	□	□
Cruise Control with braking function	■	■
Cruise Control , Active (ACC) with distance control	□	□
Glass roof, electric , with sliding and tilting function and comfort opening via car key	□	□
Instrumental panel with round speedometer and rev counter displays, as well as gauges for fuel level and oil temperature	■	■
Interior mirror with automatic anti-glare function	■	■

Exterior equipment	325i	335i
Wheels:		
– Light-alloy wheels star-spoke style 185, 8 J x 17", 225/45 R 17 tyres, with anti-theft security system	■	–
– Light-alloy wheels radial-spoke style 187, 8 J x 17", 225/45 R 17 tyres, with anti-theft security system	□	–
– Light-alloy wheels V-spoke style 188, 8 J x 17" wheels and 225/45 R 17 tyres at the front, 8.5 J x 17" wheels and 255/40 R 17 tyres at the rear, with anti-theft security system	□	NCO
– Light-alloy wheels star-spoke style 189, 8 J x 18" wheels and 225/40 R 18 tyres at the front, 8.5 J x 18" wheels and 255/35 R 18 tyres at the rear, with anti-theft security system	□	■
– Light-alloy wheels star-spoke style 230*, 8 J x 19" wheels and 225/35 R 19 tyres at the front, 9 J x 19" wheels and 255/30 R 19 tyres at the rear, with anti-theft security system	□	□

Technical data		325i	335i
Weight			
Kerb weight ¹	kg	1420 [1450]	1525 [1540]
Permitted load	kg	480	480
Engine²			
Cylinders/valves		6/4	6/4
Capacity	cc	2497	2979
Max. power	kW (hp) rpm	160 (218) 6500	225 (306) 5800
Max. torque	Nm rpm	250 2750–4000	400 1300
Performance			
Top speed	km/h	247 [245]	250 ⁴ [250 ⁴]
Acceleration 0–100 km/h	sec	6.9 [7.6]	5.5 [5.7]
Fuel consumption³			
City	l/100 km	12.1 [12.9]	14.3 [13.8]
Highway	l/100 km	6.2 [6.7]	6.7 [7.0]
Combined	l/100 km	8.4 [9.0]	9.5 [9.5]

All dimensions in millimetres. Luggage compartment capacity (VDA method): 440 litres; 335i: 430 litres.

¹ The Kerb Weight or Unladen Mass is the mass of the vehicle in running order unoccupied and unladen with all fluid reservoirs filled to nominal capacity including fuel, and with all standard equipment.

² The petrol engines are designed for RON 98 fuel. They may also be run on RON 95 or RON 91 fuel, with a decrease in engine power and an increase in fuel consumption.

³ Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one third city traffic and two thirds highway driving (based on the distance covered).

⁴ Electronically limited.

⁵ Height for 335i is 1375 mm.

⁶ Rear track for 335i is 1507 mm.

* Wheel-tyre combination for an extremely sporting look, with reduced springing and a harder ride. Values in [] apply to vehicles with six-speed automatic transmission

The models illustrated in this brochure show the specifications for the Australian market. In part, they include optional equipment and accessories not fitted as standard. According to the specific requirements of other markets, alterations in models, standard and optional equipment, as described in this brochure, may occur. For precise information please contact your BMW Dealer. Subject to change in design and equipment. Subject to error.
