	i.Beat organix	5150.0507R	1 GB
	i.Beat vision	U3.08	2 GB
<b>X4-Tech</b>	BogieMan II	3.0.41	256 MB
	ClipMan II	3.5.35	512 MB

This list is provided for reference only. The devices listed here have passed compatibility tests as of the date of testing and meet or exceed minimum standards established by BMW. The list is not a warranty for device performance or functionality. BMW makes no guarantees or warranties as to the performance of each device while connected to your BMW via the USB Audio Interface. Furthermore, software releases by BMW, the device supplier dated after testing might alter compatibility results. While many different MP3 and USB devices are offered, not all of these devices support the necessary profiles to work with your BMW.
