

550i Sport Package:

The 550i Sport Package heightens the athletic character of this impressive luxury-performance Sedan. The exterior is enhanced by shadowline trim and larger, more attention-grabbing cast alloy wheels with performance tires.¹ An Aerodynamic package, which includes front and rear fascias and lower side molding, befits the 550i's commanding presence. Adding a Retuned sport suspension calibration and Active Roll Stabilization (ARS) gives the 550i a track-bred feel and enhanced stability. The exhaust has been tuned with a sportier sound, delivered through distinctive 550i exhaust tips. Inside, a 3-spoke, leather-wrapped multi-function sport steering wheel and 20-way power multi-contour front seats underscore its sporting nature, while a shorter throw of the gearshift knob increases driving joy for those who opt for the slick-shifting, 6-speed manual transmission.

¹Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages. Performance tires not recommended for driving in ice and snow. Spare is a space-saver wheel and tire.

Shown in Carbon Black Metallic paint, exclusive to 550i Sport Package. See page 41 for full listing of available paint colors.

Aerodynamic package's front air dam and bumper underscore the purposeful look of the 550i, while providing a visual clue to the power of the 4.8-liter V-8 that resides under the hood.
