

## Directions, Traffic and Weather

Introducing Optional Services from BMW Assist.

Now, in addition to your BMW Assist Safety and Convenience services, simply press your SOS button and ask a navigation specialist for directions, traffic and/or weather information; all for just \$4.95 per call. Take advantage of this valuable new service to enhance your driving experience.

- ▶ **Directions:** Guidance to your specific destination or a point of interest.
- ▶ **Traffic:** Receive traffic reports around your BMW or along your route.
- ▶ **Weather:** Access to weather forecasts locally or at your destination.

To introduce this optional service your first call is free, once your credit card information is on file. Future requests will be billed just \$4.95 per call. Contact BMW Assist Customer Care toll-free at (888) 333-6118 to set up your account information.
