BMW 5 Series

Saloon and Touring
2008/2009

Tour de force. However long the journey, the 5 Series represents sheer driving pleasure. Thanks to its use of lightweight materials, this touring marvel sets new standards among its executive peers for performance, fuel economy, accommodation and handling. And of course, its dramatic lines and immaculate cabin architecture will always stand out from the crowd.

With such a brilliant starting point, it's hard to suggest ways to improve on the BMW 5 Series, but Genuine BMW Accessories really can make it even more appealing, either for style, performance or practicality.

If you would like more details on any products not shown in this brochure, please contact your dealer. All prices in this brochure include VAT but exclude painting and fitting. Your BMW Dealer will be happy to advise you of fitted prices.

You've already made the right decision choosing the new BMW 5 Series. A rear spoiler? Portable DVD system? Or BMW roof boxes? ... Your final decision is what accessories to choose.

Genuine BMW Accessories can make it even more appealing, either for style, performance or practicality. From distinctive touches like gearlever knobs to a multifunctional roof-rack system, a Genuine BMW Accessory can always be relied on to perform.

Just like the BMW 5 Series itself, in fact.

And if you need any further advice about Genuine BMW Accessories, your local BMW Dealer will have full details.

Contents.

Accessories finance

Found the perfect way to individualise your BMW? Then discover how BMW Financial Services can make it more affordable, with a choice of finance options tailor-made for accessories.

CD/DVD holder	51 16 0 390 279	€38.00

iPod Interface.*

The iPod interface allows the Apple iPod, iPod nano, iPod mini and iPod Photo to be connected to the car's electrical system. The music stored on the iPod is played by the audio system and the iPod is also charged at the same time. By selecting genres, artists, albums or playlists, it is possible to access your entire music collection at any time. Depending on the equipment in the car, operation is via the iDrive controller. All lists, tracks or artists are displayed on the on-board monitor or the radio display.

The iPod interface supports the following functions:

- Playback of all tracks stored in the iPod
- Operation of the iPod interface via iDrive controller
- Track search by artist, album, playlist or genre using the on-board monitor or radio display
- Podcast playback
- SC/SCAN: Play the tracks in the current list for 10 seconds each
- RND/RANDOM: Random playback of all tracks stored in the iPod
- RPT/REPEAT: Repeat the current track
- Track jump: Jump to the next or previous track
- Fast forward
- Display of detailed information about the current track (artist and time index)
- Charge the iPod battery

* Playback is limited to 255 folders for each search criteria, i.e. 1 artist equates to 1 folder (non SA6FL)
Compatibility is dependent on vehicle specification. Please contact a member of our staff for further details
iPod is a trademark of Apple Inc.

USB iPod connection cable. (not shown)

For use in conjunction with factory option SA 6FL. Allows connection via USB to iPod devices.

Specification	Part number	Price from
USB iPod connection cable	61 12 0 431 424	€60.00

Safety and security.

The most precious cargo of all. BMW child seats are designed and engineered to provide exemplary safety, for your BMW 5 Series' small but demanding passengers. For newborn to 12 years old, BMW child seats give them the very best protection.

Safe travel from the very first journey. BMW have carried out a great deal of research and development to help your children travel safely, right from the first journey. The result is BMW's own unique range of child safety seats. As your child grows, the seats can be adapted to meet the changing requirements of weight and body size. The seats are designed to give the maximum comfort for young travellers and are upholstered in soft, durable and fully washable materials. For the greatest possible safety, the BMW Baby Seat 0+ and Junior Seat I-II are also available with the ISOFIX facility, connecting them securely to the car's bodyshell.

Make the right choice. Because it's vital to choose exactly the right product for your child's age and weight, BMW has produced a separate brochure displaying the full selection of child safety seating. Please ask your local BMW Dealer for details.

If your BMW disappears, BMW Trackstar always keeps track of it.

Car thieves are becoming more sophisticated. Fortunately for you, so is BMW's additional security.

BMW is a company of constant innovation. This on-going programme includes the advancement of anti-theft devices for your vehicle. If your vehicle already has security equipment, it is likely that BMW's additional security can up-grade the factory-fitted system you presently rely on. This includes the availability of the ultimate vehicle recovery system, BMW Trackstar, which is now able to locate vehicles anywhere in Ireland, the UK or mainland Europe.** Many of the products featured may entitle you to a reduction in your vehicle insurance premiums.

Please contact your local BMW Dealer for further information.

BMW Trackstar

BMW Trackstar is a small covert electronic device installed in your vehicle which utilises state of the art technology such as GPS, GSM and an integrated motion detector in order to accurately locate your vehicle should it be stolen.

Whether you report a theft or the Trackstar Control Room contact you to advise you of possible illegal movement, the unit is activated and tracking can commence. The BMW Trackstar operator can contact the relevant Police force immediately, and relay accurate positional information, increasing the chance of a rapid recovery.

BMW Trackstar attracts full Thatcham Quality Accreditation (TQA).

Stolen Vehicle Recovery with **BMW Trackstar.**

BMW Trackstar 5

The BMW Trackstar 5 unit operates in the same way as the BMW Tracker unit but incorporates the added benefit of a Driver Authentication Device (DAD).

If the DAD is present the BMW Trackstar 5 unit can detect if the person driving the vehicle is authorised to do so, there for in the event of a theft where the thief does not have the DAD, and alert can be generated.

BMW Trackstar 5 attracts full Thatcham Category 5 Accreditation.

BMW Smartnav

Once you have had BMW Trackstar installed you have the option to upgrade to include BMW Smartnav. BMW Smartnav will guide you intelligently, avoiding traffic jams, hold-ups and all kinds of other frustrations.

Much more that satellite navigation

- Quarterly map updates automatically downloaded
- Helps you avoid toll roads where possible
- Warning when approaching, driving within or leaving the Congestion Charging Zone
- Provides easy turn-by-turn instructions throughout your requested journey, so no need to worry about unfamiliar surroundings.

Genuine BMW Car Care.

BMW Seal & Protect is the only fully approved BMW paint, interior carpet /cloth upholstery protection system. It provides an outstanding long-lasting shield against the environment and safeguards your investment by preserving the high quality finish of your car's surfaces.

Utilising high-performance sealants, your purchase involves a Dealership-applied BMW Hard Wax to the exterior paintwork. As a result, exterior surface resilience and water repellence is increased by over 300%. And the long-standing protection that BMW Seal & Protect provides simultaneously has a regenerating effect on the paintwork, for a lasting shine.

The same scientific detail is also applied inside your car, with an impregnating agent for carpets and cloth upholstery to ensure that treated materials do not soak through when exposed to moisture.

Please speak to your local BMW Dealer for further details.

That showroom-fresh look. Genuine BMW Car Care and cleaning products make looking after your 5 Series simplicity itself, for long-lasting looks and protection.

Genuine BMW Car Care products look after your car, including the paintwork, rubber parts, plastic parts and leather. We also have the right care products for carrying out minor repairs and for the cold months.

Genuine BMW ColorSystem HydroColor

The high-quality Original BMW paints are subjected to intensive laboratory testing to ensure the highest possible colour fidelity and quality before they are approved for use by BMW.

It goes without saying that BMW also promotes the development and use of new environmentally-friendly paint technologies. For example, 95% of all BMW cars are now finished with water-based paints.

Repairs to this paintwork can be carried out by your local BMW Dealer using the Original HydroColorSystems.

The part number is dependent on your car's paintwork. Additional primers and fillers are required to ensure correct application. Your local BMW Dealer will be happy to provide information.
