

BMW CCA Membership Reward Program

You may be eligible to receive an allowance based on the purchase or lease of a new or Certified Pre-Owned BMW through an authorized U.S. BMW center. A membership of one year or more immediately preceding the purchase date of the vehicle is required to take advantage of this program. **A member in good standing cannot have any lapse in membership during that 12-month period.**

Terms and Conditions:

Only those vehicles purchased from authorized BMW centers in the U.S. qualify for the purchase allowance. The BMW Car Club Allowance is non-transferable and can only be redeemed by a car club member. Sales documents and vehicle title must be in the member's name. If a member co-signs for a vehicle with a non-car club member, both must reside in the same household. If a member co-signs for a vehicle with another car club member, both must reside in the same household, but, there can only be one rebate submission. This program is not available in conjunction with other special purchase programs offered by BMW of North America, LLC, including but not limited to the Vendor Program or any other certificate offer. Vehicles purchased or leased through a 3rd party (i.e. brokers, lease companies, etc.) do not qualify. **BMW allows one rebate per calendar year per member** and only one member can apply for a rebate if there is joint or multiple ownership of the vehicle. For certified pre-owned vehicles, rebates will be paid once per vehicle per customer. BMW is not responsible for late, lost or misdirected applications.
