

# My Own Room

It will be great

# Moving

**For moving I will help get everything moved.**

## Promise

I will promise that I will try to be very good and not cry.

# Price

If you only pay for the closet in the playroom or as I want it to be Rainier's room I would say it cost around \$100 to \$200. But if you pay for moving the beds that would cost \$30 to \$100.

# Rainier's coughing

When Rainier coughs it wakes me up and I can't get a good amount of sleep like you tell me to. His coughing also is very long and he sneezes and blows his nose all night.

# Closing

Dear Mom,

I hope I persuaded you to get Rainy and I our own room. I really feel that we should get our own room. Proving that I wrote this and a Contract on the next page.

Your son,  
Julian

# Contract

If you sign this you will give Rainy and I our own room. Also pay for the moving.
