Making sure your BMW remains a BMW is as important to us as it is to you. So, in the event of an accident, your car will be serviced with original BMW parts.

And, if your brand new BMW is totaled in the first 12 months of ownership and within the first 15,000 miles, New Car Replacement will cover the expense of replacing your new BMW.

Should your car break down or should you have an accident, you'll experience a premium level

of service with Enhanced Roadside Assistance.

Benefits include:

- Towing to the nearest BMW center
- Concierge Service to make all the necessary arrangements — for hotels and taxis, and for notifying family and colleagues of your change in plans — whether near home or while traveling

Total coverage for greater convenience.
