Standard Features

Performance and Efficiency

4.8-liter, 360-horsepower 32-valve V-8 engine with 4 overhead camshafts, aluminum engine block and cylinder heads, Valvetronic system, 2-stage air intake manifold, and Double-VANOS steplessly variable valve timing

Direct ignition system with knock control

Electronically controlled engine cooling (map cooling)

6-speed manual transmission

Handling, ride and braking

Aluminum double-pivot strut-type front suspension

Aluminum 4-link integral rear suspension

Front and rear anti-roll (stabilizer) bars

Aluminum front and rear subframes

Twin-tube gas-pressure shock absorbers

4-wheel ventilated anti-lock disc brakes (ABS) with Dynamic Brake Control (DBC)

Vehicle-speed-sensitive variable-assist (Servotronic), variable-ratio power steering

Dynamic Stability Control (DSC), including Comfort Stop,⁴ Brake Fade Compensation, Start-off Assistant, Brake Drying, and Brake Stand-by features, with Dynamic Traction Control (DTC)

Exterior and Aerodynamics

17 x 7.5 Double Spoke (Styling 116) cast alloy wheels, 225/50R-17 all-season tires⁵

Xenon Adaptive Headlights with dynamic auto-leveling

Automatic headlight control

Halogen free-form foglights

Park Distance Control (front and rear) with graphic display

Rain-sensing windshield wipers with adjustable speed

Power adjustable, heated, body-colored side-view mirrors

Metallic paint

Chrome Line exterior trim

Standard Features (continued)

Interior seating

Dakota leather upholstery and door trim
10-way power front seats with power head restraints
4-way power lumbar support for front seats
2-setting memory system for driver's seat, side-view mirrors, and steering wheel position
Open storage compartments in all doors and front seatback storage
Adjustable front center armrest
Dual center console compartments with provision for phone handset, climate-controlled lower compartment
Fold-up rear seat center armrest

Comfort and convenience

Automatic climate control with separate left/right temperature and air distribution controls, with automatic air recirculation
Micro-filter ventilation system with replaceable active-charcoal filters
2-way power glass moonroof with remote, expanded "one-touch" operation, anti-trapping feature, and sliding interior sunshade
Automatic tilt-down of passenger's side-view mirror (when car is shifted into reverse gear)
Power tilt and telescopic steering wheel with automatic tilt-up
Power windows with key-off and "one touch" up and down operation both front and rear, anti-trapping feature, opening from remote, and closing from exterior lock
Keyless entry with multi-function remote control
Interior courtesy lights with automatic dimming function
Front map lights and rear reading lights with separate controls for the left and right
BMW Ambiance Lighting
Dual front sun visors with illuminated mirrors
Dual cupholders in front and rear
Heated driver's door lock and rear window defroster
Fully finished trunk with drop-down tool kit and interior trunk release
Integrated 3-button Universal garage-door opener
Power outlet in front passenger's footwell, back of center console, and in trunk
Glove compartment with rechargeable take-out flashlight

Audio system

Anti-theft AM/FM stereo/CD audio system with 10 speakers, Auto-Store, and FM diversity antenna system
Pre-wiring for BMW center installation of BMW 6-CD changer, *Bluetooth*[®] wireless communication for hands-free mobile phone, and SIRIUS satellite radio

Standard Features (continued)

Instrumentation and Controls

Multi-function 3-spoke steering wheel with controls for audio system, cruise control, and

Bluetooth[®] wireless communication for hands-free mobile phone³

Electronic analog speedometer and tachometer and LCD main and trip odometers

Expanded Check Control vehicle monitor system

iDrive system with on-board computer and controller

Exterior temperature display with alarm for freezing temperatures

Vehicle & Key Memory

Safety and security

Driver's and passenger's front airbag supplemental restraint system (SRS) with dual-threshold deployment, 2-stage Smart Airbags

Front- and rear-seat Head Protection System (AHPS II)

Front-door-mounted side-impact airbags

Front safety belts with automatic tensioners and force limiters

Automatic-locking retractors (ALR) on all safety belts (for installation of child-restraint seats)

Interlocking door anchoring system to help protect against door intrusion in side impacts

Intelligent Safety and Information System (ISIS) for deployment of safety systems

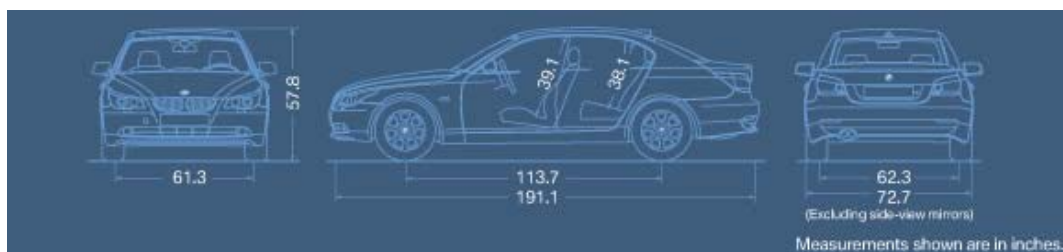

Impact sensor that activates Battery Safety Terminal disconnect of alternator, fuel pump and starter from battery, turns on hazard lights, interior lights and unlocks doors

Coded Driveaway Protection (prevents engine start when your key with constantly changing electronic code is not used)

Remote keyless entry security alarm system with selective unlocking and double-lock feature (programmed at BMW center), remote trunk opening, interior motion detector, and panic feature

Adaptive Brake Lights

BMW Assist with *Bluetooth*[®] wireless technology

Benefits Of Ownership

BMW Full Maintenance

Maintenance is one of many hidden costs to consider when you're looking at a car's sticker price. For most cars, that is. Fortunately, BMW offers one of the most comprehensive maintenance programs in its class. Not that service is needed often, only every 15,000 miles or so. Just about anything your BMW might need replaced or serviced—brake pads, wiper blades, oil change, checkup—is fully covered for 4 years or 50,000 miles, whichever comes first.* Which will save you money and simplify your operating instructions considerably: Fill with gas. Point to horizon. Go.

Maintenance cost for 4 years/50,000 miles, whichever comes first:*

- Brake Pads: \$0
- Brake Rotors: \$0
- Engine Belts: \$0
- Oil Changes: \$0
- Wiper Blades: \$0
- Inspections: \$0

*Full Maintenance covers all factory-recommended maintenance on all MY 2004 vehicles and newer vehicles, as determined by the Service Level Indicator, for 4 years or 50,000 miles, whichever comes first. Exclusions from coverage: gasoline, gasoline additives, windshield washer additives, tires, wheels, wheel alignment, tire balancing and rotation. All work must be performed by an authorized BMW center. See the Service and Warranty Information booklet for more details and exclusions.

Roadside Assistance

Even the most reliable and durable automobile may someday need roadside attention. Should this happen, BMW Roadside Assistance is ready to help.

The BMW Roadside Assistance program reflects BMW's commitment to your complete satisfaction with the BMW ownership experience. It is available for U.S.-version BMWs that are covered by the New Vehicle Limited Warranty or Certified Pre-Owned BMW Protection Plan. Assistance extends to all 50 states, Canada and Puerto Rico, 24 hours a day, 365 days a year. This program provides towing and on-site assistance during the original New Vehicle Limited Warranty or Certified Pre-Owned BMW Protection Plan. Additionally, the program provides for towing your vehicle to the nearest authorized BMW center in the event of an accident; custom trip routing services (maps and itineraries); and even provides trip interruption benefits for mechanical breakdowns covered under warranty when you are 100 or more miles from home.

Benefits Of Ownership (continued)

4 Year / 50,000 Mile Warranty

BMW NA provides limited warranties for any new U.S.-specification vehicles distributed by BMW NA or sold through the BMW NA European Delivery program against defects in materials or workmanship to the first retail purchaser and each subsequent purchaser.

The warranty period is for 4 years or 50,000 miles, whichever occurs first, and begins on the date of first retail sale, or the date the vehicle is placed in service as a demonstrator or company vehicle, whichever is earlier.

Please see your authorized BMW center for additional information on coverage and limitations.

BMW provides a limited warranty for its 2004 and newer vehicles against defects in materials or workmanship which will result in rust perforation of the vehicle body for a period of 12 years, without mileage limitation, commencing on the date of first retail sale, or the date the vehicle is first placed in service as a demonstrator or company vehicle, whichever is earlier.

Please see your authorized BMW center for additional information on coverage and limitations.

Accolades

"Most Appealing Mid-luxury Car"

2004 APEAL (Automotive Performance, Execution and Layout) study. J.D. Power & Associates
November 2004

p. 28 (Autofile, 2004 BMW 545i). "Since the 1980s the BMW 5 Series was the consummate driver's car."

"... when it comes to the driving experience itself, the 545i continues to reign as the king of midsize performance sedans."

p. 29 "...when it comes to just plain driving, the experience remains unparalleled." AutoWeek
October 2004

p.70 (Comparison of BMW 545i and Cadillac STS.) "For a lot of people and for a lot of years, the BMW 5 Series has been a benchmark of what a midsize luxury sports sedan should be."

p.78 "For aficionados who appreciate fine machinery and top-grade materials and revel in the details of how the car is put together, there's no substitute for the Bimmer." Motor Trend
